About Mark

Hey, there!

I do what I do because I love the atmosphere of love, joy, laughter, and celebration – I think the world could always use more of that.

Being part of creating a meaningful keepsake of your life story brings me so much joy, and nothing makes me happier than witnessing those moments firsthand.

During the shoot, just relax, have fun, and be yourselves. I'm all about capturing your essence as a couple in a natural, authentic way.

Leave the photo-taking to me, and I'll leave the fun to you!

Cheers,
Mark
